

LEGAL NOTICE
GRAND PRAIRIE WATER COMMISSION, ILLINOIS
REQUEST FOR QUALIFICATIONS FOR PROFESSIONAL SERVICES

ALTERNATIVE WATER SOURCE PROGRAM
CONSTRUCTION MANAGEMENT SUPPORT SERVICES –
LOCAL AND DISADVANTAGED BUSINESS ENTERPRISE FIRMS

The Grand Prairie Water Commission is accepting statements of qualifications from Local and Disadvantaged Business Enterprise (DBE) firms qualified to provide construction management and/or related services as subconsultants to the Stantec-CMT Team. Only firms that meet the definitions of Local or DBE as presented in the RFQ Documents are invited to submitted statements of qualifications under this request. Background information regarding the Program is available at the website of the Grand Prairie Water Commission: [Grand Prairie Water Commission | Illinois \(gpwc-il.org\)](http://GrandPrairieWaterCommission|Illinois(gpwc-il.org)).

Accessing the RFQ Documents:

RFQ Documents are available through the AWSP PMIS. Access to the PMIS is granted by emailing your Organization's Point of Contact name and email to: AWSPProcurement@stantec.com.

Only one Point of Contact per organization will be allowed. Once access has been requested, instructions will be sent for obtaining documents and submitting qualification information.

With the RFQ Documents, instructions on how to submit questions regarding the RFQ Documents will be provided. Questions will be answered by Addendum. No questions will be accepted or answered verbally. All questions must be submitted in writing by October 23, 2024 at 5:00 PM CDST.

Statements of Qualifications must be electronically received by 3:00 PM CDST, November 6, 2024 through Kahua.

Responders can request support on use of Kahua by emailing: AWSPProcurement@stantec.com
